Autumn is my favorite time of year. With the weather going cold I need something to warm me up. Usually I turn to a nice hot cup of cocoa, but when my man is around I think his hot rod would do me better. Just thinkin' about it gets my panties in a twist. I just wanna be unwound by his fingers, undone by his tongue, and have his cock deep inside me. Fuck, all this fantasizing has left me dripping. Where is that man, I need him in me now.

Going out has always been my favorite past time; trying new things, meeting new people, it's all so exciting to me. Meeting men is where I'm at my most eager. I like to take one home if I can, or vice versa. When I meet a man who brags about his big ding dong, I have to see for myself if he's all talk. Going back to his place, I had to have him in me once I saw that dick. Just looking at it gives me ideas for all the holes I'm putting it in.

POOL SKATER

“You two are going to love these tile countertops.” I led the couple through the dining room and into the kitchen with bated breath.

I needed this sale something awful. The newlyweds seemed genuinely interested in the house. Still, prospective homebuyers were a most finicky breed.

Sure, I could always show them a different property. But I was antsy to sell this particular place. It had been on the market for quite some time. I had pitched the house to countless folks with zero luck.

I was starting to lose confidence in my abilities.

Unfortunately my boss was, too.

If I didn’t strike gold soon my job at the real estate agency could be in real jeopardy. My boss had told me as much, all but threatening me with termination. Then what would I do? Go back to slinging hash at that lousy greasy spoon? I tried not to even consider such a grim prospect.

Now I entered the kitchen and stepped aside, letting the room speak for itself. The couple liked it; they eyed one another, nodding and smiling, betraying a bona fide affinity for the modern appliances. So far, so good, I thought.

Of course I was saving the backyard pool for last. It was the main attraction, the piece de resistance . . .

“I love it,” said the young wife, referring to the kitchen.

Her bearded husband smiled. “I can see us cooking up a storm in here.” He looked at me. “And you’re right. The countertops are beautiful.”

“Well,” I said, “wait till you see the pool.”

They followed me to the living room. Bright afternoon sunshine beamed through a set of French Doors, lashing a brand new hardwood floor. I opened the doors, leading them into the backyard with its irresistible pool—

And got the shock of my life!

The pool was empty; every last drop of water had been drained.

But that’s not all, not by a long shot.

The place was overrun with skateboarders. Half a dozen miscreants were skating inside the pool. They took turns, skating one at a time, using the concrete bowl as their very own skate park.

A motley crew, for sure.

They looked like refugees from a post apocalyptic punk rock festival. I saw shaved heads, a spiked Mohawk, sleeveless leather jackets, threadbare jeans, and shredded hi-top sneakers. They whooped and wailed, encouraging one another, the whole group—or was

it an actual gang?—skating as if their lives depended on it.

The young couple were less than thrilled. Their enthusiasm for the home plummeted. Those god-damned skate punks had broken the spell. All of my hard work came crashing down, crumbling like a bombed building.

“I’m so sorry,” I said, trying to salvage the unsalvageable. “I’ll call the police at once and have them...”

“Don’t bother,” said the husband.

His wife said, “Forget it. Last thing we want is a house known to every skateboarder in town. I can see it now, returning from summer vacation to find our backyard invaded by every freak in town. No thanks.”

There was no changing their minds. I didn’t even

bother. Dejected, I stood there and watched them vacate the house with much haste.

By now the skaters had seen us; they fled as fast as they could, scaling the property's wooden fence in a frantic rush to flee. I watched them bail, one after another, making a clean getaway. All but one managed to escape.

This particular skater, the one with the spiked Mohawk, had been left behind due to a sprained ankle. Had he incurred the injury skating or climbing the fence? I didn't know. Nor did I care.

I confronted him beside the pool, brandishing my cell phone as if it were a deadly weapon. "Stay right there. Don't even think about trying to leave through the house. I'm calling the cops right now. You're trespassing on private property."

"Chill out, lady."

"Screw you."

"We just wanted to skate. It's not like we were stealing, or hurting anybody."

"I just blew a sale because of you and your freak friends. Do you know what that means? I'm probably going to lose my job."

"Hey, I'm really sorry."

"Save it."

I was just about to call the police when his tone changed dramatically, taking on a desperate, pleading quality. "Please don't do that. I'm on probation. They'll send me straight to jail."

"Probation, huh?"

"Yeah."

"For what?"

"Slinging weed."

I got to thinking about the whole thing, imagining this guy behind bars, subjected to all kinds of indignities and dangers. After all, jail was a dangerous place. He could very well get murdered, sliced to ribbons with a shank. Did I really want something like that on my conscience? No, I didn't.

"Go on." I waved him on by. "Get out of here."

"Hey, thanks, lady. Thanks a lot."

Holding his board, he limped toward the French doors. He couldn't put much weight on the bum ankle. He looked really pathetic, hobbling along like that.

"Let me help you."

I stood beside him. He draped his arm around

my shoulder. It was slow going but we made it inside. I closed the French Doors and locked them.

"How are you going to get home?"

"You're looking at it," he said.

"You can't walk."

"I'll be okay."

"It'll take you forever on that ankle of yours. I'll give you a ride."

"Really?"

"Sure."

"Thanks again. I owe you, big time."

He was right, of course. I was being awfully generous to a guy who had cost me an important sale. But he had problems of his own. I didn't want to compound them with my selfishness. And he was so damned cute.

I took a hit of the joint, then passed it to my new skate punk friend. We were getting stoned in the empty living room, sitting on the floor with our backs against the wall. It had been his idea, smoking in the safety and privacy of the vacant house. He had said it would be good for his ankle, good for the pain.

My arm had required no twisting. Hell, I needed to get baked. The pressure of my job was incredible. I had been far too stressed for far too long. Maybe I was in the wrong field; perhaps selling houses just wasn't for me.

Pot had always made me extremely horny. Not that I needed any help in that department, especially as of late. My job had done a number on my love life. I was always at work, or too tired from working.

A dildo had become my fuck buddy.

Don't get me wrong. I loved my dildo, loved it dearly. Still, I was hankering for a real cock. And I had never fucked a skate punk before.

"There's a first time for everything," I muttered.

"What's that?"

"Oh, nothing. I was just talking to myself."

He sucked the last bit of magic from the roach. I took it from him, walked to the other side of the room, and tossed it into the fireplace with its artificial logs.

"That hit the spot," he said.

"Yeah, well, I can make you feel even better . . ."

"How so?"

I proceeded to unbutton my blouse.

Sitting on the floor, eyes bloodshot, he watched me strip.

I did it slowly, seductively, shedding my blouse and skirt, bra and panties and flats with a dancer's flair. A jester's grin spread across his stoned features.

Due to his ankle certain modifications would have to be made. Not a problem, I reasoned. I had spotted a lawn chair beside the pool; no doubt left there by the

previous owner. I told Mohawk I'd be back in a jiffy.

Chair in tow, I returned moments later. He got up slowly, sliding his back up the wall. Then he sat in the chair, taking all the weight off his ankle as small moaning sounds emanating from his mouth.

"Comfy?" I asked.

"You know it."

I knelt and unzipped his jeans, pulling them down his legs all the way to his hi-top sneakers. He was wearing boxers. I peeled them, too, freeing his cock. It was a nice cock, long and thick. I held it in my hand, stroking it gently, up and down, taking great satisfaction in the way it swelled within my palm.

"Does that feel good, baby? Do you like it when I stroke your big fat cock?"

ready for it.

"Oh, yeah, baby. I'm ready to ride this cock."

And that's just what I did.

I turned around and straddled him, lowering my hips. He held his prick with one hand, guiding it into my cunt. His turgid shaft stretched me. I sank lower and lower, filling myself with man meat.

Then, as promised, I proceeded to ride him.

Reverse cowgirl was one of my favorite positions. I bucked and gyrated, loving every second. He reached around and caressed my tits, rubbing and kneading them, twisting my nipples while thrusting his cock up into my snatch.

We continued like this for some time before I switched things up.

Eager for regular cowgirl, I faced him, straddled his legs, and sat on his dick. He grabbed my ass, one hand for each cheek, and thrust up into me with a series of fast, powerful jabs. His fingers dug into my taut flesh, seeking purchase, squeezing, gripping, as he fucked me tirelessly, drilling my pussy like a piston.

Being stoned heightened my pleasure, adding another dimension to the sex. I felt better than I had in many months. No, make that a couple years.

Sensing his forthcoming orgasm, I raised my hips and squatted beside his chair, fingering my clit while taking his cock in my mouth. I sucked him with vigor, sliding my lips up and down, pumping my head with increasing speed. I worked faster and faster, finger and mouth, getting closer

and closer and... We came at the same time.

Waves of pleasure cascaded through my body, this while his cock erupted, caulking my throat with spunk. I swallowed what I could; the remainder of his load oozed down my chin in pearly rivulets.

Mohawk lived in a rental house with a bunch of skaters, all of whom had fled the backyard pool. You should've seen the looks on their faces when I helped their limping friend through the door.

"It's okay, guys," he said. "She's cool."

I stuck around, did a few bong hits, then drove home in a stoned daze, not caring about my boss at the real estate agency, not giving a damn whether he fired me or not.

Spitting on his mushroom cap was no easy task as the pot had given me quite the cotton mouth. Still, I managed to work up enough saliva to do the job. I massaged his glistening rod, getting him nice and hard, priming him for my pussy.

"I bet you weren't expecting this today, were you?"

"No," he said, "I wasn't."

"That makes two of us."

I jerked him with more speed, more force; this while feasting on his balls. I licked his nuts, licked and lapped them, sucking each one. He leaned back in the chair and moaned. I slid my free hand between my legs, rubbing my pussy. I was wet and ready for a thorough reaming, but I was wondering if her was

I've always been restless in bed with men, but never too shy to make my demands. "Pull my hair, pound me harder, fuck my ass!" No matter what I did, it just wasn't enough. Then my girlfriend told me to try a threesome. I always thought it would be too much for me. I decided to give it a try and I don't think I can stop now. All my holes rocked. I might just beg for as many cocks as I can get.

contraband cooze

Somebody on the outside had stashed something behind that book!

it was a slow morning at the library.

I stood there at the reference desk, no longer even bothering to look busy. The goddamned clock was frozen; one more hour until lunch. It was a nice spring day, sunny and mild. I couldn't wait to get outside, sit on my favorite bench, and smoke a cigarette.

Luckily, I had some stellar eye candy to keep me from dying of boredom. Ally, our trustee/housekeeper from the county correctional facility, was brushing each shelf with an old fashioned feather duster.

I could watch her all damned day. Early twenties, lustrous brunette hair, big tits, small waist, luscious ass, she was one seriously fine specimen. And a damned good worker, much better than our previous trustee who had lost her privileges after getting busted riffling through the branch manager's purse.

Sporting her tight-fitting green and white striped jumpsuit, Ally had me mesmerized. I tried not to stare but it was difficult. Just watching her was making me hard. Then it happened...

Ally pulled a book from the shelf, plunged her hand into the empty slot, and extracted something – I couldn't tell what – before quickly sliding the book back in place. Clever, I thought. Real clever. It didn't take a master detective to crack the case. No doubt she had just claimed some type of contraband. Somebody on the outside, a friend or family member, had stashed something behind that book.

Cigarettes? Weed? Pills? I waited until the other reference librarian, Jason, returned from the restroom before vacating the desk and confronting Ally in the stacks.

"You think you're pretty smart, huh?"

Ally regarded me with confusion. "Excuse me?"

"Don't play dumb, Ally." With its distinctive red spine, the book was easy enough to locate. I plucked it from the shelf. "Crime and Punishment . . ."

"I don't know what you're talk—"

"Save it. I saw the whole thing. So, tell me, what did you get? Anything good? I'm dying to know."

"It was just a few joints. Please don't report this. I love this job. It gets me out of that awful jail. If I couldn't come here everyday I'd lose my mind."

"Well," I said, shelving the book, "maybe we can work something out."

"Anything. Just tell me."

"I take my lunch at twelve-thirty, the perfect time for you to tote some

trash to the dumpster. We'll meet there. And don't be late."

The dumpster was behind the library. It was enclosed within a wooden fence per orders from the city's beautification committee, the ideal spot for what I had in mind. Ally showed up right on time. She hoisted a massive bag of trash into the dumpster with ease.

"This job keeps you in good shape."

"Yeah," Ally said, "I guess."

"You do a fantastic job. I'd hate to see you go. We all would."

"Like I said, it was just a few joints. I called my girlfriend from the jail and told her where to put them. She doesn't live too far from here."

"Girlfriend, huh?"

"Yeah."

"I'll bet she really misses you."

"I guess."

"Tell me something, Ally."

"Sure."

"How long has it been since you've sucked a cock?"

"Well," she said, smiling, "to tell you the truth, not that long. I suck off one of the guards several times a week..."

"Such a naughty little slut."

"You have no idea."

"Then why don't you show me . . ."

I unzipped my trousers and whipped it out. Ally wasted little time. She knelt and got right on it, polishing my knob with expert skill. Her lips encircled my cock, sliding up and down, head pumping, as she slurped and moaned. I placed my hands atop her head and thrust my hips, fucking her face as saliva oozed down her chin.

Ally proceeded to suck my balls while stroking me with her hand. My cock was harder than a brick. I was dying to plunge it into her cunt. As for Ally, well, she must've read my mind because she stopped suckling my nuts and said, "I want your big hard cock in my tight little fuckhole . . ."

"Your punishment," I replied.

"For my crime."

Ally shimmed out of her pants. She had an unruly bush. I pushed her against the side of the dumpster, grabbed her ass with both hands and lifted her off the ground. She wrapped her legs around my waist as I skewered her. Ally's cunt was tight and wet. I pounded her with everything I had. Her hot breath tickled my ear. She nibbled on my neck, urging me to fuck her even harder. I gave it my all, drilling her snatch with piston-like strokes, slamming her against the dumpster.

A sensible pace was out. This was strictly a quickie. I was looking to bust a proper nut and get on with my lunch break. Nookie's nice, sure, but a man has to eat.

"Let me finish you," she said, "with my mouth."

Already on the brink, I pulled out and stepped back. Ally went down and gobbled my cock for the second time. The girl could give magnificent head. She enjoyed the act, took great pride in her oral prowess. I thought of the jail guard with much jealousy. Lucky

bastard! Then again, maybe Ally and I could make this a regular thing, too. I certainly hoped so. She sucked and gagged . . .

"Oh, shit, baby, I'm about to blow . . ."

Ally came up for air with nary a second to spare. My cock exploded,

rope after rope, spewing thick gobs of jizz. I stood there, heart pounding, as my slimy seed slid down the side of the dumpster.

"So I'm okay now?" Ally asked.

"Of course you're okay. This was the most magnificent lunch break of my life."

"You're not going to report me?"

"Hell no, Ally. I'm a man of my word. And tell your girlfriend to keep bringing the spliffs. As long as we do this, your secret is safe with me."

"Sounds like a plan. As a matter of fact," she said, "I can probably get her to join us. I mean, well, if that's cool with you . . ."

The look on my face must've been one of utter bafflement. I could hardly believe what I had just heard. Three-way action! This was getting better and better.

"You bet it's cool," I said.

"I'll call her and arrange the whole thing. You'll like Lynn. She's fucking awesome."

The next few days were filled with much anticipation; to say that I was eager would be the understatement of the century.

Ally dominated my thoughts. A hardcore highlight reel of our tryst behind the dumpster played in my head, over and over. I carried out my duties at the library, seemingly focused, but my mind was elsewhere. At night I stared at the TV in my little apartment with absolutely no interest whatsoever. This prospect with Ally and her girlfriend was nothing short of mind blowing. I had never been with two women at the same time. Perhaps my luck was about to change in a big way.

Now, assisting a patron with the copy machine, I glanced over my shoulder and saw Ally. She was sweeping in the audio/visual section. We exchanged eye contact. She flashed a not so subtle smile. As soon as I finished helping the patron, I walked over to receive what I hoped would be good news.

"Good morning, Ally."

"You think so? Well, the afternoon is going to be a hell of a lot better."

"How so?"

"You take your lunch at twelve-thirty, right?"

"Everyday," I said, "just like clockwork."

"Meet me behind the dumpster."

Ally swept debris into her dustpan and moved on. I stared at her ass hungrily. Thank God for tight-fitting prison pants. I could see her panty lines, too. She hadn't mentioned Lynn. Still, something told me today was the day . . .

I had recently read an article about sexual stamina that recommended jerking off prior to intercourse. Jason was manning the reference desk. No time like the present, I thought, making a beeline for the staff restroom. I locked the door and got busy. Visualizing Ally's superlative ass, I jerked and tugged and jerked some more. My prick erupted, spewing cum into a wad of toilet paper.

soon enough.

Just like last time, I took my lunch break as Ally toted trash to the dumpster. We met at the rendezvous spot. She started to hoist the bag . . .

"Allow me," I said.

I grabbed the bag and hurled it into the dumpster.

Ally said, "Such a gentleman."

"I have my moments."

And that's when Lynn came around the corner. "Now don't go starting this party without me . . ."

At least, I assumed it was Lynn. Who the hell else could it be?

I leaned against the fence as the reunited lovers exchanged a deep, passionate kiss. No doubt they missed each other something awful. Ally's incarceration had to be difficult for the both of them.

They finally separated. Lynn sized me up.

"So this is the guy, huh? Not bad, Ally. Not bad at all."

Lynn was a looker: tall with long, toned legs extending below the hem of a denim miniskirt. She looked like some kind of athlete. Basketball, I mused. Perhaps volleyball. Her honey blonde hair was chopped short.

I said, "The infamous Lynn. Pleased to make your acquaintance. It's nice to finally meet the person responsible for introducing contraband into the library."

"Drug smuggler extraordinaire."

"Yeah," Ally said, "and a damned good pussy eater, too."

They kissed once again. Ally pulled down Lynn's halter top, exposing a nice set of C-cups with dark nipples. Ally sucked her girlfriend's tits, feasting on them one at a time, licking and nibbling as Lynn stared at me over her shoulder. Still leaning against the fence, I pulled out my cock and stroked it slowly.

Lynn pushed Ally against the dumpster and peeled those striped pants. She squatted, shucked her lover's panties, and buried her face in Ally's bush. Ally moaned and mewled. I kept stroking my cock, getting harder and harder. Watching the hot lesbian action was a major turn-on. Lynn ran her tongue up and down Ally's wet slit.

I walked over and helped relieve Ally of her shirt. She raised her arms and it, as well as her bra, was off and on the ground. We kissed as I kneaded her tits, squeezing and massaging them, pinching one nipple, then the other. I felt hot breath on my prick. Lynn took me into her mouth. Her hot tongue basted my cock, base to

mushroom head, shellacking me with exquisite slowness.

Lynn was something else. She liked it all, cunt and cock. Her oral skills were topnotch. Still, I was ready to fuck her. We only had so much time, and so much to do!

She must've sensed my need. "Is the librarian ready to fuck this pussy..."

"You know it, baby."

There was a discarded office chair beside the dumpster. One of the circulation clerks had finally decided to get rid of the thing; she had rolled it out here just yesterday morning. The cushion was ripped and covered with tape, but it was more than adequate for our needs.

I took a seat. Lynn turned around, facing away from me, and lifted her

mini-skirt. No panties. Her ass was phenomenal. I leered at it as she positioned her hips, impaling herself on my cock. Her pussy was unbelievably tight, hot, and wet. I reached around and felt her tits, squeezing them as she rode me reverse-cowgirl style.

Ally was in front of us, kissing Lynn and diddling her girlfriend's clit. I could feel her fingers on my cock as Lynn bucked in my lap. The whole thing was mind-boggling. Two chicks at the same time! It was finally happening!

Jerking off just a short while ago had definitely given me more endurance. Still, I couldn't hold out forever. My balls were brimming with sauce. I could feel it bubbling. Lynn could, too. She swung off as my cock detonated, spitting gouts of spunk.

A man is definitely vulnerable while he's shooting a load...

Lynn took full advantage of my blissful state. Before I could even comprehend what was happening, she had produced a pair of handcuffs and secured my wrist to the chair. As she was doing this, Ally snatched the trousers and boxers bunched around my ankles, claiming them for her very own.

Ally and Lynn dressed hastily. I sat there like a fool, my post-coital cock already starting to shrivel. I'd been duped, played like a punk . . .

"Hey, come on now—"

"Sorry," Ally said, "but I just can't do another night in that miserable jail. It's nothing personal. And, for the record, I did enjoy our time—"

Lynn beckoned. "Come on, Ally! Enough with the chitchat! Let's get the hell out of here!"

They vamoosed with astonishing quickness. I heard Lynn's car fire up and peel out of the parking lot. Then I remembered my wallet. Gone with my pants! Son-of-a-bitch!

It took a while, maybe two hours, but a coworker finally found me. The look on her face was priceless. The cops were summoned to unlock the cuffs and take a report.

My manager fired me on the spot. To her credit, she made a run to the dollar store and bought me a pair of shorts so I wouldn't have to drive home in my birthday suit.

More often than not sex is a fast, rough, wild ride. With bodies clashing in a passionate dance, it's easy to get caught up in the euphoria. Wanting that sexual thrill is one of the most natural things in the world. Slowing it down though can be just as satisfying. Take in every new texture of flesh on your tongue, taste every inch of sweet sex, and feel every piece of her beautiful body. Try it sometime, and you'll be rewarded in return.

It's always exciting when I get to hire new interns. I go for young hard cocks ready to sample this hot wet pussy. Being the boss has its's benefits, it usually just takes one request to get them out of his pants and into mine. Their eagerness always leads to getting my way, sucking cock how I want, getting plowed how I want, and everything I can think of. I just need to make sure I have those NDAs on hand.
